

COMMANDER IN CHIEF
ALLIED FORCES SOUTHERN EUROPE

28 FEB 1977

Dear Edward,

Thank you for your most thoughtful letter and your congratulations on my nomination. I recall our meeting at Wilton Park with equal enthusiasm and look forward to our paths meeting again one day soon.

I value your good wishes on my new post which brings both a challenge and an opportunity for which I am most grateful.

All the best to you.

Yours,

A handwritten signature in ink, appearing to read "Stansfield", written over a horizontal line.

STANSFIELD TURNER
